

Congresswoman Gabrielle Giffords and Pima County Public Library
presents

Solar Power 101

A Community Education Series on Solar Energy

Solon

Solon Corporation was established in January 2007 in Tucson, manufacturing solar modules and systems for the North American market. Representatives from Solon will give an overview of their products and projects, both in the Tucson area and globally.

PV Recycling

PV Recycling, LLC, will present on working with PV module manufacturers to develop take-back processes, manage module registries, oversee collection, perform testing and recycle modules.

Solar Power for the Home - Getting Started

The basics of solar energy residential systems.

Wednesday, January 6, 2010, 6-8 p.m.

Nanini Branch Library

7300 N. Shannon Road, Tucson

On the east side of Shannon, just north of Ina Road

Space is limited for this presentation

Please RSVP by Monday, January 4: RSVPsolar@mail.house.gov or (520) 881-3588
